Dear Parents/Guardians:

Beginning with the September 2011-2012 school year, our school district has conscientiously implemented the requirements found in the *Anti-Bullying Bill of Rights Act*. As part of this process, we complete an annual Anti-Bullying Self-Assessment which provides information on our district progress in implementing programs to maintain and improve a culture of acceptance and respect and address harassment, intimidation, and bullying within our schools.

The 2014 self-assessment included questions which were given scores of 0 (does not meet); 1 (partially meets); 2 (meets all requirements); 3 (exceeds requirements) for a total possible score of 78 points. As you will see when you review each school's report, we met all requirements. The self-assessment guide was helpful in recognizing our program growth in school climate and anti-bullying and in providing guidance for continued programming during this school year.

We are proud of our school community and continue to seek ways to grow and improve in all areas. If you have any questions or concerns, please do not hesitate to call me at 926-6716.

Respectfully,

Jill Yochim
